

Name: _____

I'm pleased to welcome Nathan Hubbell and Jing Li from Traveler's Insurance to class today. They will present an intro to the Property & Casualty insurance industry, Statistics at Travelers, and career opportunities for Statistics majors. Nathan is a Fellow of the Casualty Actuarial Society and a 2VP in Personal Insurance R&D. Jing has a M.S. degree in Statistics from University of Minnesota, Twin Cities, and is working in Personal Insurance R&D.

What question would you like to ask them?
