

Review of Roleplaying Cases

The Salt Case: Review in your group and be prepared to summarize the scientific question, how the study was performed, and the data.

What's next? What are some ideas for how to analyze the data?

The Surround Sound Case: Review in your group and be prepared to summarize the scientific question, how the study was performed, and the data.

What's next? What are some ideas for how to analyze the data?

Homework

Write a proposed collaboration plan for your client. Due Wed Mar 30.

See the example from class on Feb 1:

<http://users.stat.umn.edu/~rend0020/Teaching/STAT8801-2016Spring/handouts/04-analysisplan.pdf>

Name: _____

What questions do you still have about your case? Are you ready to write a proposed collaboration plan?
