

## STAT 5201 HW4

---

**4-1.** Edition 2: Chapter4-Problem 8 (Edition 1: Chapter3-Problem 2)

**4-2.** Edition 2: Chapter4-Problem 9 (Edition 1: Chapter3-Problem 3)

**Note:**

1) If you are using R, you should check out the handouts on the web page for computing the regression and ratio estimators.

2) For problem 8. I will give you in class the username and password in the following web address that will allow you to access the data.
