## Affirmation of Academic Honesty

The policy on academic honesty for Statistics 5401/8401 states in part

...[T]he actual preparation of answer papers and computation must be done by each student individually, without copying from another.

A copy of this affirmation must be attached to *each* homework turned in.

---

I affirm that the attached homework was prepared in accordance with the class policies on academic honesty. In particular, I affirm that I prepared this homework myself and have not copied it from someone else's work.
